House Rules for Dogs

Strandhotel Berg

Dear Guest,

We are delighted that you have chosen our Strandhotel Berg.

Your four-legged friend is welcome to stay with us. We attach great importance to hygiene guidelines, which we would like to comply with with your help. Your dog is welcome with us, but we would like to draw your attention to our special house rules for dogs.

In your own interest, we would like to ask you to pay attention to the following points so that you can enjoy your stay in our beautiful hotel:

Please understand that we only accept well-behaved, well-groomed and house-clean dogs with friendly characters in our hotel. Out of consideration for other guests, uncontrolled barking is not desired. Your dog must also be used to staying calm and alone in the room. Leash is compulsory on the entire hotel premises.

Liability insurance

Dogs brought along must be covered by appropriate liability insurance. The owner is liable for any damage caused by his dog to other guests or to the hotel facilities.

Restaurant

You can take your dog into the restaurant, provided it behaves calmly and does not disturb other guests or employees.

Hotel room

Please bring your own bed for your darling such as a dog basket, a dog blanket or a lockable sleeping box. Our hotel beds are absolutely taboo for dogs. Please take this into account in this way. Our cleaning staff is instructed to report dogs that are in the beds to the reception.

If your dog is free-running in the room, please make sure you put the "Bitte nicht stören" sign on your room door and notify the receptionist. This is only for prevention in order to avoid possible territorial behavior of the dog.

The hotel's own towels are not available to the four-legged friends. Please use your own towels that you have brought with you to dry off your dog.

Walking

Loosening a dog within the hotel complex is not allowed. We ask you to make use of droppings bags. When returning from the walk, please dry and clean your dog before entering the hotel or room.

Costs

You will be charged € 15.00 per night for your dog. This price is exclusive of feed and only covers a small part of the costs incurred for the time-consuming final cleaning. If your room is heavily soiled by your dog, we will charge you a one-time, additional flat-rate cleaning fee of at least € 100.00 (or up to the amount of the costs actually incurred by us).

We wish you and your four-legged friends a nice and relaxing vacation in our house.
